Invitation to Join

South East American Singers Chapter #43

New American Singers Chapter in the Southern States

A new chapter of the American Singers Club has been approved. It is CHAPTER 43, and is called the South East American Singers (SEAS). Our desire is to support breeders of American Singer canaries in the South Eastern section of the U.S.

We invite breeders of American Singer canaries to join us as members of Chapter 43. A primary requirement is

that you be a member in good standing of the National American Singers Club.

We look forward to the benefits that club membership will bring us, such as sharing information on breeding and showing American Singer canaries, mentoring and encouraging new breeders, sponsoring song competitions in the South Eastern states, exhibiting the

canaries we have bred and trained, and building friendships based on the hobby that we all enjoy.

Although we are a bit unconventional in our organization in that our

American Singer Canary in Song

members are geographically scattered, we are confident that with good and frequent communication, strong leadership, and the use of modern internet-based meeting tools, we will not only be an enduring chapter but a model for others.

A Membership Application is attached. Please feel free to contact any of the Officers shown below if you have questions.

Officers

Brenda Varhola	President	Birmingham, AL	(205) 874-6169	ariacanaries@aol.com
